

Zoom

"There is great interest in ETFs at the moment as the market moves towards a model without retrocessions and many investors want to be able to buy ETFs like mutual funds through their bank or wealth manager."

"Adding these iShares to FundSettle's platform will help investors to build and manage a portfolio in a straight-forward way."

Leen Meijaard, Head of iShares Sales in EMEA, BlackRock

ETFs made easy in FundSettle

You can now trade ETFs in the exact same way as your mutual funds in FundSettle International – no change, no extra setup costs.

Low cost and efficient access to ETFs

Thinking about ETFs?

Looking to enlarge your product offering to your clients without increasing your connectivity and operational costs?

We have what you're looking for.

In response to requests from our distributors, Blackrock and Euroclear have recently entered into a partnership and made Blackrock iShares ETFs available on the FundSettle platform.

Leverage your operational processes

You can now start trading ETFs in FundSettle leveraging your existing operational processes.

"As the fund market moves towards a model without trailer fees, many wealth management clients are interested in investing more in ETFs" says Lieven Libbrecht, Product Manager, for FundSettle International.

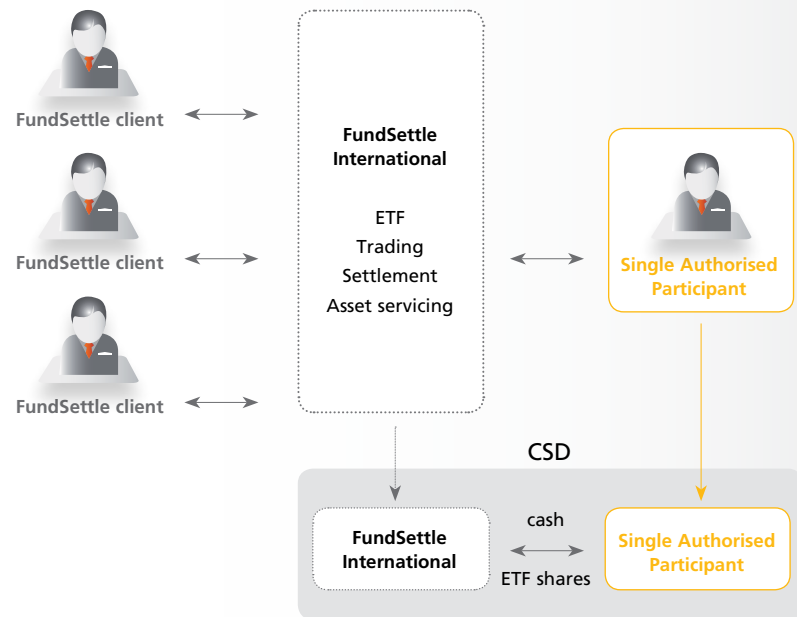

"We offer you an alternative, low cost and efficient way of accessing ETFs using FundSettle International.

You purchase and execute your orders for ETFs in the exact same way as for your mutual funds".

Start tomorrow and benefit from an array of advantages:

- Use the same single access point in FundSettle International as for your mutual funds
- Trade at fund Net Asset Value (NAV)
- No additional costs as you leverage your existing operational processes
- Free of charge as the costs are borne by the ETF provider

How does the service work?

Processing ETFs in the exact same way as for your mutual funds

- Same order placement process
- Same NAV dealing
- Settlement process takes place in your Euroclear Bank account, as for your mutual funds
