

THE WHITE HOUSE  
WASHINGTON

October 16, 1962

Dear Premier Khrushchev,

Don't be a dick, ok? Get your missiles out of Cuba. Everybody will say "Yay! Khrushchev! You're the best!" But if you don't everybody will be like "what an asshole" and call your garbage country "The Soviet Bunion."

You're really busting my nuts here.

Give you a jingle later.

Hugs,

John Fitzgerald Kennedy

A handwritten signature in cursive script, reading "John F. Kennedy", with a long, sweeping flourish extending to the right.
